

ARROW HEIGHTS ELEMENTARY

Principal: Mme. Tedesco Ph. 250 837-6360 Secretary: Mrs. Rollo www.arrowheights.sd19.bc.ca

Principal's message:

Spring has truly arrived in Revelstoke and at AHE! We have many wonderful activities ahead including Sports Day, and the many field trips that we see at this time of year. We have several fun learning activities on the go such as volleyball finals this week at RSS, our Bike Rodeo, Track and Field prep, and Explorations for Grades 4-7. With all the activities ahead we want to thank our parents who are able to volunteer whether it is in students' classes or with school events. Your support for our kids is always appreciated. The end of the school year is only two months away! It's going to be two more great months of learning at A.H.E.!

Mme. Tedesco 😊

DISTRICT GRADE ACTIVITIES

May is here and gymnastics was lots of fun for our Kindergarten classes. Swimming is now on for the grade 2's and 5's. Our swimmers are looking forward to three more weeks of fun and fitness!

JUMP ROPE FOR HEART

Our JUMP ROPE FOR HEART event was a huge success. Thank you to students and families for raising just under \$4600 for the Heart and Stroke Foundation. It is much appreciated. A great time was had by all despite us being indoors for the jump! A big thank you to Ms. Tedesco and Mrs. Gadbois for organizing the event.

SPRING TIME EXPECTATIONS

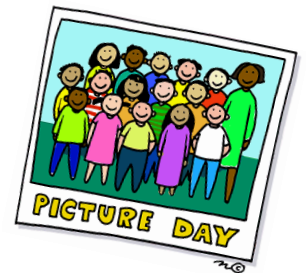

With the nice weather, we are reminding all students to make efforts to :

- Walk bikes on school grounds
- Be mindful of traffic
- Wear clothing appropriate for school
- Care for outside equipment by bringing it in for others to use

SPRING PHOTOS

The photographer will be coming back on **Wednesday May 8th** to take class photos and our school wide photo beginning in the morning. Individual photos will not be taken at this time.

BREAKFAST PROGRAM

A reminder that we have Grab and Go breakfast every morning from 8:05-8:20 outside. Come and have a bite to eat and fuel your day! A big thank you to our volunteers and Coordinator Sarah Koriath for providing healthy and nutritious options for our kids each day.

LOST AND FOUND

Please check the LOST and FOUND at the school! It's full of nice clothing that will be donated shortly if not claimed!

SPORTS DAY

Sports Day is planned for **Friday May 24th**, weather permitting. During the morning our intermediate students will be participating in regular track & field activities and primary students will be participating in fun races. In the afternoon, following our 100m final races, a fun school-wide event is planned.

Once again, we're asking that families **contribute a plate of fruit** for our athletes to snack on throughout the day. Labelled containers can be dropped off in the office that morning and picked up there at the end of the day.

Volunteers are needed to assist with running our events. Please look for your volunteer sheet coming out soon! PAC will also be coordinating a sub-sandwich lunch on this date as well.

District Track & Field: Grade 4 to 7 students will qualify for district events during our sports day.

Field events (shot put, long jump & high jump) will be held **during school hours** on **Tuesday June 4th from 9 am to 12:00 pm** @ Columbia Park Elementary.

Track events will be on **Friday June 7th from 9 am to 11:30 am** @ Centennial Fields.

GRADE 7 Year End Trip

Well done to our Grade 7's and their parents who have been working hard this year to fundraise for their year-end trip. The group is looking forward to this time together to bond, extend their leadership and team work skills and have fun prior to their final weeks of their elementary education.

They will be departing Arrow Heights Wednesday, May 29th to head to Sunnybrae Camp on the Shuswap Lake. The students will stay in bunkhouse accommodation at the camp for two nights along with their teachers Ms. Johnson and Mr. Cadegan. The group will be participating in activities led by camp leaders including: climbing, crafts, wilderness skills, low ropes course, horsemanship, canoeing, archery, plus group activities including wide games, sports - volleyball, basketball, and campfire activities.

SCHOOL ORGANIZATION FOR 2019/2020

It's already nearing the time of year when schools begin creating classes for the upcoming school year. Although student placements cannot be finalized until the first week of the new school year, this process allows us to plan for the best possible placements for all of our students. The following is a list of criteria we consider when making student placements:

- the child's physical and social maturity
- the child's intellectual development level and age
- gender balance in each class
- the child's relationships with other students
- parent information
- student support services and the composition of each class

Although we do not consider requests for a specific teacher, parents are welcome to provide us with information relating to the above factors. Parents/guardians requesting special consideration are to discuss their child's educational circumstances with the Principal. As always, we may need to adjust classes through the first week of September when we determine how many students have arrived in Revelstoke or moved away during the summer break. For this reason, we do not publish class lists prior to the first day of school. If you have further questions regarding this topic, please contact Mme. Tedesco at the school.

MARK YOUR CALENDARS!

May 1	Spring Carnival 5:30-7:00pm
May 8	Class and full school photos
May 10	Bike Rodeo in the am and PAC Hot lunch
May 13	Pro-d Day no school for students
