WINTER HAS ARRIVED!

November is upon us and with that comes the winter weather! Now that we have settled into our classes, students and staff are busy working hard in their learning, focusing on outdoor education, literacy, numeracy and social emotional learning. As we head into this season, we want to remind our community members that we must not become complacent in our approach to keeping all folks healthy, calm and safe. Please re-read our safety protocols and reacquaint yourself with the way we operate in the school environment to ensure that the health officials' guidelines are followed. Working together, we can take care of each other and ensure that all of our stakeholders remain happy and healthy. As we head into November, Remembrance Day acts to remind us of the past sacrifices made by many brave Canadians that allow us to enjoy the freedoms that we have today. This takes on a whole new meaning in today's world and we should all do our part in making small sacrifices to keep each other safe. Thank you once more to all of our families for providing their wonderful support to our school. Have a great month of November!

X-COUNTRY RUNNING

The **Cross-Country Running** team had a great modified season. Thank you for Mrs. MacLeod and Ms. Johnson for ‘running’ the program. Arrow Heights students contributed their kilometers from their runs to help SD 19 cross-country participants map out a run all the way to Atlin, BC!

Our mini- assemblies will be held at on **November 9th and 10th**. We join together to recognize those who have served our country and those who have contributed to and are continuing to preserve peace in the world. We are unable to welcome visitors at this time.

BASKETBALL SEASON

The **Grade 5, 6 & 7** students are starting **basketball** at the school level only. Practices start under the guidance and coaching of Mrs. Uremovich and Mr.Cadegan. Mini in-house, cohort games will occur. Stay tuned for more information coming home from your child as to their practice day and time.

PICTURE RETAKES -November 4th

Get ready to smile again if you need a repeat performance!

ANNUAL CARES CHARITY DRIVE

This year the STUDENT LEADERSHIP has chosen to support **Revelstoke District Health Foundation**, and the **Revelstoke District Humane Society** for their fundraising activities. There will be many opportunities throughout the year to support these worthy causes. Each mini assembly students who recently were recognized for demonstrating CARES are provided an opportunity to pay their Cares Cards forward to one of these charities. Our first fundraiser was “Guess the Candy Number” on Halloween which raised money for our two charities.
