Principal's message:

WE ARE ONE LUCKY TEAM!

March is a shorter month, culminating in Spring Break. We look forward to the Spring weather, more time spent outdoors and the happiness of a re-start that Spring can bring. We have Student-led conferences to share this month so that families can see the progress that students have made over the year thus far. From there we will goal set as we look ahead to the final term of the school year. Many thanks to our AHE community for their continued support of students and staff, not only in their learning, but in their well-being. See you in April everyone!

Mme. Tedesco☺

SPiRiT WEEK

Thank you to all of our students and staff for showing such great enthusiasm during Spirit Week in February.

DISTRICT GRADE ACTIVITIES

The Grade 3 and 6 Alpine ski programs along with the Grade 4 Nordic program were very successful. - The grade 1's had a great time in their skating program. Coming up in the Spring will be gymnastics for our Kindergartens and swimming for the grade 2's and 5's.

BATTLE OF THE BOOKS

Grades 3 to 7 students have been eagerly taking up the challenge and have been reading up a storm. Teams will be competing in April based on knowledge and number of books read. Good luck to all our readers.

JUMP ROPE FOR HEART

Our students will be jumping and celebrating over 30 years of Jump Rope for Heart! On **April 23rd** our students will celebrate and jump to save lives. The Heart and Stroke Foundation appreciate our participation to continue the life-saving work that they are doing. This year we are not completing fundraising but will still continue with promoting awareness for the Heart and Stroke Foundation.

VOLLEYBALL

Our volleyball season is under way. Grade 6 & 7 students will be practicing at AHE on Wednesdays and Thursdays. A great big thanks to Mrs. Uremovich and Mr. Cadegan for coaching the teams.

PROVINCIAL LEARNING SURVEYS

We will again be completing our Provincial Learning Surveys electronically for students and digitally or on paper for parents during the month of April. All parents are encouraged to complete the survey. Thanks in advance for taking time to do this. The results of the survey are used to do important goal setting for the next year.
