Principal's message:

Only two months left of the 2020-21 school year! We have many “wonderful but different looking” activities ahead including Sports Day, and the many field trips that we see at this time of year. The school is bustling with springtime activity, and with the sunshine, we are seeing our active classes get out and play even more. The next two months will go fast, and we are enjoying our time learning and playing together. Happy Spring everyone!

Mme. Tedesco 😊

DISTRICT GRADE ACTIVITIES

The District Grade activities continue with Grade 2's and Grade 5 students making a 'Splash' at an OPEN swim at the Community Centre Pool. Grade 7's will try to squeeze in one more Golf outing. New permission slips coming your way. K gymnastics will not be offered this year, but we will try to fit it into their schedule next year.

JUMP ROPE FOR HEART

Our JUMP ROPE FOR HEART day was a huge success. Thank you to students for JUMPING into the fun. It was much appreciated. A great time was had by all! Thank you to Ms. Tedesco and Mrs. Gadbois for organizing!

SPRINGTIME EXPECTATIONS

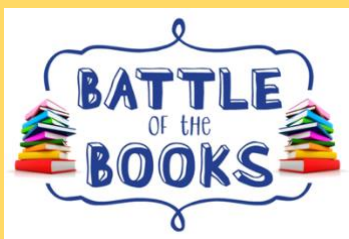

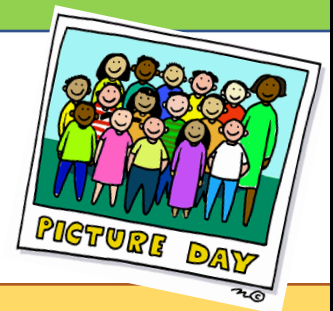

With the nice weather, we are reminding all students to make efforts to:

- Walk bikes on school grounds and be mindful of traffic
- Wear clothing appropriate for school
- Care for outside equipment by bringing it in for others to use and looking after it
- Put garbage in the garbage can!!

SPRING PHOTOS

The photographer will be coming back on **Tuesday May 4th** to take a distanced class photo. Individual photos will not be taken at this time, nor will a large school photo due to COVID protocols.

BATTLE OF THE BOOKS

Well done to all our readers who took on the library Battle of the Book challenge. Each year, we are so proud of the number of students who participate. This year we had 11 teams of students compete against other schools. Here is the link for the District Battle if you would like to watch!

SCHOOL ORGANIZATION FOR 2021/2022

It's already nearing the time of year when schools begin creating classes for the upcoming school year. Although student placements cannot be finalized until the first week of the new school year, this process allows us to plan for the best possible placements for all our students. **IF YOUR CHILD WILL NOT BE WITH US IN SEPTEMBER, PLEASE LET MME. TEDESCO KNOW AS SOON AS POSSIBLE.**

The following is a list of criteria we consider when making student placements:

- the child's physical and social maturity
- the child's intellectual development level and age
- gender balance in each class
- the child's relationships with other students
- parent information
- student support and the composition of each class
- class size limits

Although we do not consider requests for a specific teacher, parents are welcome to provide us with information relating to the above factors. Parents/guardians requesting special consideration are to discuss their child's educational circumstances with the Principal.

As always, we may need to adjust classes through the first week of September when we determine how many students have arrived in Revelstoke or moved away during the summer break. For this reason, we do not publish class lists until just prior to the first day of school. If you have further questions regarding this topic, please contact Mme. Tedesco at the school.
